## OFFLINE EDITOR

### PROFILE

I am a Film and TV Offline Editor with over 12 years of broadcast experience working for a number of major production companies, across a variety of genres from Natural History to Food to Horticulture to Antiques, cutting long form TV, VT's, making of's and short films.

I'm ambitious, versatile, calm under pressure and capable of delivering to tight deadlines. I have a natural sense of pace, meticulous attention to detail, make creative music choices and am extremely passionate about helping people to achieve their artistic vision.
